

## 2016-2017 Mount Marty College Verification Worksheet – V1

Your 2016-2017 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are any errors found, our office will electronically correct your FAFSA and the Federal Processor will inform you of the changes. If the correction(s) result in a change in your financial aid, our office will submit a new award letter to you within two weeks. You and at least one parent (if dependent) must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible, or within 30 days but no later than the end of the payment period so that your financial aid will not be delayed. Mount Marty College must review the requested information under the financial aid program rules (CFR Title 34, Part 668).

**4. STUDENT / SPOUSE and/or PARENT(S) INCOME INFORMATION:**

**A. IRS TAX RETURN FILERS – Important Note:** If you (student) or your spouse (if married) or your parent(s) filed, or will file, an amended 2015 IRS tax return, you must contact your financial aid administrator before completing this section.

**Instructions:** Complete this section if the student/Spouse and/or parent(s) filed or will file a 2015 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If the student or student's parent(s) have not already used the tool, go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student and/or parent(s) are eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into the student's FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool contact your financial aid administrator.*
